HOW TO PREPARE: Mix this product with clean water. Use only plastic lined brass, copper, fibreglass, aluminium, plastic or stainless steel containers for mixing and application. Wash out spray equipment thoroughly after use.

CAUTION: DO NOT allow spray to contact or drift onto plants you do not want killed. Accidental contact must be hosed with water immediately to reduce injury to plant. DO NOT allow chemical containers or excess spray to get into drains, sewers, streams or ponds.

Concentrate Roundup® Xtra Weedkiller kills weeds, unwanted grasses and vegetation in garden beds, rockeries, driveways, along fence lines, lawn edges, in school grounds, parks and gardens, around buildings and prior to planting new lawns and garden plots. DO NOT allow spray to contact or drift onto plants you do not want killed.

SAFETY DIRECTIONS: Avoid contact with the eyes and skin. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre phone: 13 11 26.
