Back panel

HOW TO USE:

DO NOT use on spiders or dust mites.

Situation	Pests	How To Apply
Indoor Use	Ants, Cockroaches	Spray from 20-30 cm directly on ants, cockroaches, fleas, silverfish, and other insect pests. Spray until visibly wet. Use stream setting on roaches, and for penetrating the cracks and crevices they hide in. Spray in kitchens, pantries, and under cabinets and appliances. Wait three minutes, and then wipe excess with damp sponge or cloth. Note: some surfaces may become slippery when wet.
	Fleas	Apply to pet bedding to control fleas. Do not spray directly onto pets.
Outdoor Use	Ants, Cockroaches, mosquito larvae	Spray perimeter of home generously to make a barrier of protection. Spray doorways, window frames, cracks. Spray until visibly wet. Spray areas of ant trail and saturate nests. Spray garbage cans, manure piles or any infested areas until visibly wet. Spray the surface of stagnant water in large vessels to control mosquito larvae.

NOT TO BE USED FOR ANY PURPOSE OR IN ANY MANNER CONTRARY TO THIS LABEL UNLESS AUTHORISED

CAUTION: KEEP OUT OF REACH OF CHILDREN

DO NOT spray directly on humans, pets, exposed food or food utensils. DO NOT use on water intended for human consumption. DO NOT allow spray or containers to get into streams, ponds, drains or sewers.

STORAGE AND DISPOSAL. Store in the closed original container in a cool dry place out of reach of children and domestic animals. Dispose of empty container by wrapping in paper, placing in a plastic bag and putting in garbage or, to recycle bottle after use, fill empty container with water and pour in garden, repeat and place in recycling bin. Never place unused product down any indoor or outdoor drain.

SAFETY DIRECTIONS. Harmful if swallowed. May irritate the eyes. Avoid contact with eyes. If product gets in eyes, wash out immediately with water. Do not inhale. May irritate the nose and throat. If on skin, rinse off with water. Wash hands after use. If irritation persists, seek medical advice.

FIRST AID. If poisoning occurs contact a doctor or a Poisons Information Centre.
